Dear Alumni,

Take a moment away from your busy day to imagine. See yourself on the Ponte Vecchio bridge at sunset, or standing in front of a Botticelli, or walking the Boboli Gardens, filling your soul with the smell of jasmine. Feel the spray of the Trevi Fountain, throw in a coin, make a wish. Imagine yourself at the Colosseum side by side with the ghosts of gladiators or in a café toasting the end of the day with a rich ruby red wine. Close your eyes and taste warm crusty breads, velvety cheeses and ripe olives. Such are the glories of Rome and Florence. Add to that the Tuscan countryside, vineyards and lofty cypresses marching up undulating hills to medieval hilltop villages. All told it has the makings of an unforgettable trip.

Go Next will take care of all the travel details, you just relax and decide what you want each day to bring. The optional excursions offer something enticing every day, or you may want time to take in the local flavor on your own. You can create the trip you've always dreamed of.

For over 36 years, Go Next has been showing travelers the rewards of travel, the enjoyment and lifelong memories of a trip well planned and executed. Their reputation for delivering a wonderful travel experience at an exceptionally good price makes this trip popular.

You are encouraged to make your reservations soon. Remember, you can save \$200 per couple by booking prior to NOVEMBER 15, 2008. If you have any questions or need additional information, please do not hesitate to contact Go Next.

We look forward to showing you Rome, Florence and the Tuscan countryside.

# Go to Rome and Florence and just

## Rome

See the remains of past civilizations, revel in architectural splendors, stroll over the Tiber's graceful bridges and sample the world's best espresso; welcome to Rome, a city steeped in nearly 3,000 years of history. Once the center of the world's greatest empire, and now the seat of Christianity and the capital of Italy, Rome is truly a city that wears its history, and its heart, on its sleeve. Remnants of its glorious past can be found around every corner, from the monumental Colosseum where gladiators once fought, to the elegant Spanish Steps and the majestic Vatican City, home to Michelangelo's Sistine Chapel and the world's largest church, St. Peter's Basilica. Amid the delightful frenzy of the city, experience la dolce vita by sampling fresh gelato, hearing ancient church bells ring, or simply sitting at an al fresco café and watching scooters, and the world, zip by. Wherever you are in this legendary city, wondrous attractions abound.

## Florence

Found in the rolling hills of Tuscany, Florence, one of the world's premier cultural and artistic capitals, has attracted artists and captured the imagination of travelers for centuries.

The city's countless masterpieces such as Brunelleschi's rust-colored Duomo and Michelangelo's towering David mark an extremely creative period in Italian history, helping label the sun-kissed city as the "Cradle of the Renaissance." Investigate the historic city center, explore the many art galleries overflowing with treasures, or admire the golden hues of the Ponte Vecchio reflected in the Arno River below. Florence has welcomed the 21st century, however much of its medieval and Renaissance charms linger. Walk the same cobblestone streets and city squares and see the same architectural splendors and sculptures that Leonardo da Vinci, Botticelli, and Machiavelli once did. You too will discover why some of history's greatest figures chose Renaissance Florence as their home.

We have put a sharp eye to providing our travelers the opportunity of traveling well at an affordable price.

We develop programs that appeal to all age groups with the right balance between seeing and just being in new and exotic places.

## *Included scenic sightseeing transfer and tour between Rome and Florence via Orvieto*

Enjoy a leisurely drive through the Italian countryside with a stop in Orvieto. The views are spectacular from this culturally rich city that looks down from its cliff-edged balcony over a vineyard-spotted plain. Stroll quaint streets lined with colorful ceramic products and wrought ironware. Perhaps explore the medieval duomo, among the greatest of Italian Romanesque-Gothic cathedrals.

*Where art and architecture rule and history echoes, where food is a passion, where the senses sing with joy.*

This map represents approximate locations.

## *Rome's Greatest Stage*

Rome has several treasures, but perhaps none as iconic, legendary, and enduring as the giant Colosseum. Commissioned by Emperor Vespasian in 72 A.D., this amphitheater has a varied and violent history. Imagine yourself there over 2,000 years ago and hear the thunderous roar of 50,000 spectators cheer, see the mighty gladiators and doomed prisoners fight to the death, and be amazed at the exotic beasts that have been transported from the far corners of the globe. Such decadence could not continue indefinitely, thus the Colosseum would see other fates such as a fortress, quarry, and most recently a backdrop for concerts. However, its vibrant history will not soon be forgotten, as the Colosseum stands proudly as a symbol of Eternal Rome.

The Field of Miracles, home to the buildings that recall Pisa's past grandeur including the famous Leaning Tower. • Lucca, rich in art and history.
